CALL FOR SUBMISSIONS

The Journal of Development and Social Transformation Volume 6, 2009

Articles and notes pertaining to governance, social change, crisis management, and development that bridge theory and practice are invited for submission.

We publish research and policy work on broad themes such as:

Multi-level governance

Transnational advocacy

Administration and poverty alleviation

Grassroots involvement and social movements

Development practice and theory

International policy and institutional change

Security

Peace building

Civil society collaboration

Leadership in time of crisis

Disaster relief

Environment

DEADLINE: Noon, May 15, 2009

Please refer to the website for submission guidelines and past issues:
