**Maxwell**  
Syracuse University

## **EDUCATION**

---

**PhD – Planning;** University of Toronto (2018)

**MPA – Public Finance and Fiscal Policy;** Cornell University (2012)

**BSc – Industrial and Labor Relations;** Cornell University (2008)

## **RELEVANT EMPLOYMENT EXPERIENCE**

---

### **Assistant Teaching Professor – Syracuse University, Maxwell School of Public Affairs**

**August 2018 – Present**

- Taught urban policy, economic development, and quantitative methods courses
- Researched and published on smart city policy and regional governance
- Lead an academic working group on infrastructure, sustainability, and resilience
- Applied for external and internal grants to fund research initiatives

### **Assistant Director, Policy Studies – Syracuse University, Maxwell School of Public Affairs**

**August 2018 – Present**

- Engaged with private and public sector clients to develop training sessions and experiential learning opportunities for undergraduate students
- Shepherded through a new undergraduate curriculum
- Administered the department's Honors and Study Abroad programs
- Assisted in hosting events for alumni, community partners, and potential donors

### **Planner – Ontario Ministry of Transportation, Provincial Planning Office**

**March 2017 – August 2018**

- Researched plans and regulations surrounding autonomous vehicles and other emerging mobility technologies
- Met with consultants and stakeholders to assist in the development of the 2051 Greater Golden Horseshoe Regional Transportation Plan
- Reviewed municipal multimodal transit plans for alignment with Ontario's Growth Plan and the Provincial Policy Statement (PPS)

### **Graduate Research Assistant / Course Instructor – University of Toronto, Department of Geography and Planning**

**September 2013 - May 2018**

- Measured economic, demographic, and social change using Census data
- Taught regional planning & municipal finance courses

### **Research Analyst - Cornell University, Office of Labor Research and Education**

**June 2008 - August 2011**

- Supervised a research team of 9 junior researchers who conducted interviews and performed data analysis
- Assisted in writing and editing research memos, reports, and academic publications

## COURSES TAUGHT

---

- Smart Cities
- Regional Planning and Governance
- Municipal Public Finance
- Community Engagement Capstone
- Quantitative Planning Methods
- Method of Public Policy Analysis
- Advanced Policy Research
