TEACHING AND MENTORING EXPERIENCE

Supervision, Durham University

I supervised 30 undergraduate students and have supervised 3 masters’ students to successful completion.

Lecturer, Syracuse University

Geography 381: Cartographic Design (Fall 2023)

Convener, Durham University

Geography 41515: Using Geographical Skills and Techniques (2022/2023)

Geography 3621: Natural Hazards, Risk and Resilience (2022/2023)

Lecturer, Durham University

Geography 41515: Using Geographical Skills and Techniques (Spring 2022 and Fall 2022)

Geography 3621: Natural Hazards, Risk and Resilience (Spring 2022 and Fall 2022)

Geography 41030: Understanding Risk (Spring 2022 and Spring 2023)

Geography 40930: Spatial and Temporal Dimensions of Risk (Spring 2022 and Spring 2023)

Teaching Fellow and Workshop Facilitator, University of Wisconsin–Madison

Teaching Assistant Training Workshop Facilitator (Fall 2018)

Lecturer, University of Wisconsin–Madison

Geography 170: Our Digital Globe (Summer 2020, Fall 2019, Summer 2015, online)

Geography 370: Introduction to Cartography (Spring 2015 and Summer 2019, online)

Geography 572: Graphic Design in Cartography (Fall 2017)

Graduate Teaching Assistant, University of Wisconsin–Madison

Geography 370: Introduction to Cartography (Fall 2015)

Course Development, University of Wisconsin–Madison

Geography 371: Introduction to Environmental Remote Sensing. Nelson Institute for Environmental Studies, University of Wisconsin–Madison (Summer 2017)

Lecturer, University of Kansas

Geography 210: Computers, Maps, and Geographic Analysis (Spring 2015)

Graduate Teaching Assistant, University of Kansas

Geography 311: Map Conception and Development (Fall 2014)

Geography 210: Computers, Maps, and Geographic Analysis (Spring 2014)

Geography 105: Physical Geography Lab (Fall 2013)
