EDUCATION **Ph.D., Geography, University of Colorado at Boulder, 2000**

Dissertation title: *"Shifting ground: Agrarian change, political mobilization, and identity construction among Quichua of the Alto Napo, Ecuadorian Amazonia"*

MA, Geography (Minor in Botany), University of Texas at Austin, 1994

BA, Environmental, Population and Organismic Biology, University of Colorado at Boulder, 1988

ACADEMIC POSITIONS

- 2018** DellPlain Professor of Latin American Geography, Department of Geography and the Environment, Maxwell School of Syracuse University
- 2014** Professor, Department of Geography, Maxwell School of Syracuse University
- 2006** Associate Professor, Department of Geography, Maxwell School of Syracuse University
- 2000** Assistant Professor, Department of Geography, Maxwell School of Syracuse University

VISITING APPOINTMENTS

- 2017** Visiting Scholar, Cátedra Elisée Reclus, Colegio de Michoacán, La Piedad and Centro de Investigación y Estudios Superiores en Antropolgía Social (CIESAS), Mexico City, México (September-October)
- 2017** Visiting Scholar, Latin American Summer Institute in Social Issues (Escuela de Verano Latinoamericano en Problemáticas Sociales), Instituto de Arqueología y Antropología, Universidad Católica del Norte, San Pedro de Atacama, Chile (January)
- 2012** Visiting Professor, Department of History (Master's program in Geography), Universidad de los Andes, Bogotá, Colombia (June)

PUBLICATIONS

Books

- 2018** Rutgerd Boelens, Tom Perreault, and Jeroen Vos (eds.), *Water Justice*, Cambridge: Cambridge University Press
- Forthcoming in Spanish as *Justicia Hídrica, Poder y Solidaridad*, eds. Rutgerd Boelens, Tom Perreault, and Jeroen Vos (eds.), Centro Bartolomé de las Casas, Cusco, Peru and Editorial Abya Yala, Quito (2023).
- 2015** Tom Perreault, Gavin Bridge and James McCarthy (eds.), *The Handbook of Political Ecology*, London: Routledge.
- 2014** Tom Perreault (ed.), *Minería, Agua y Justicia Social en los Andes: Experiencias Comparativas de Perú y Bolivia*. Cusco: Centro Bartolomé de las Casas and La Paz: PIEB/Plural.
- 2002** Tom Perreault, *Movilización política e identidad indígena en el Alto Napo*, Quito: Ediciones Abya Yala.

Refereed

Forthcoming Manuel Prieto, Gabriela Valdivia and Tom Perreault, "Aporias of *Journal* political ecology: a transhemispheric view," Manuel Prieto, Gabriela Valdivia, and Tom Perreault, *Progress in Environmental Geography*.

Articles

- 2022** Rutgerd Boelens, Arturo Escobar, Karen Bakker, Lena Hommes, Erik Swyngedouw, Barbara Hogenboom, Edward H. Huijbens, Sue Jackson, Jeroen Vos, Leila M. Harris, K.J. Joy, Fabio de Castro, Bibiana Duarte-Abadía, Daniele Tubino de Souza, Heila Lotz- Sisitka, Nuria Hernández-Mora, Joan Martínez-Alier, Denisse Roca-Servat, Tom Perreault, Carles Sanchis-Ibor, Diana Suhardiman, Astrid Ulloa, Arjen Wals, Jaime Hoogesteger, Juan Pablo Hidalgo-Bastidas, Tatiana Roa-Avenidaño, Gert Jan Veldwisch, Phil Woodhouse & Karl M. Wantzen, "Riverhood: political ecologies of socationature commoning and translocal struggles for water justice," *The Journal of Peasant Studies*, DOI: 10.1080/03066150.2022.2120810

**RESEARCH
GRANTS**
*External
Support*

- 2023** Fulbright Specialist Grant, Universidad de Tarapacá, Arica, Chile (grant number P008333)
- 2010-11** Fulbright-Hays Faculty Research Abroad Fellowship, "Mine-related water contamination and rural livelihoods in the Bolivian Andes" (grant number P019A100048, \$55,722). N.B.: this grant was further supported by a research leave from Syracuse University during calendar year 2011.
- 2009-10** Principal Investigator, National Science Foundation Doctoral Dissertation Research Improvement grant, "Returning the Commons: Resource Access and Environmental Governance in Southern Colorado." Co-PI: Keith Lindner, Syracuse University
- 2008-09** Principal Investigator, National Science Foundation Doctoral Dissertation Research Improvement grant, "Corporate social responsibility and rural development in Ecuador's northern Amazon region." Co-PI: Emily Billo, Syracuse University. (\$11,090)
- 2006-08** United Nations Research Institute for Social Development (UNRISD) grant, "Natural Gas, Indigenous Mobilization, and the Bolivian State," part of the project "Identity, Power and Rights: The State, International Institutions and Indigenous Peoples" (\$10,000)
- 2003-04** Fulbright-Hays Faculty Research Abroad Fellowship, "State reform, political mobilization, and indigenous territories in the Bolivian highlands" (grant number P019A030026, \$61,500). N.B.: This grant was further supported by a research leave from Syracuse University during the 2003-04 academic year.
- 1998-99** Fulbright - IIE Doctoral Dissertation Research Grant "Culture, markets, territory: Identity construction and productive strategies among the lowland Quichua of the Ecuadorian Amazon" (\$13,000)

**Internal
Support**
pastoralists and

- 1997-99** Inter-American Foundation Doctoral Research Fellowship “Rural development, social capital and cultural identity among lowland Quichua of the Ecuadorian Amazon” (\$9,500)
- 1993-94** Inter-American Foundation Masters-level Research Fellowship (\$3,500)
- 2023** Department of Geography and the Environment pre-proposal funding, “Dynamic livelihoods in a changing environment: Andean the management of high altitude wetlands (*bofedales*) in Bolivia and Peru,” (\$2500)
- 2022** Appleby-Mosher Faculty Research Award, Maxwell School of Syracuse University, “Food and Water Security in a Changing Environment: Preliminary Research on the Bolivian Altiplano” (\$1460)
- 2021** Appleby-Mosher Faculty Research Award, Maxwell School of Syracuse University, “Highlands and drylands: Water security, crop diversity and climate change in the Altiplano” (\$1325)
- 2017** Appleby-Mosher Faculty Research Award, Maxwell School of Syracuse University, “Foodways, food sovereignty and food security in the Andes” (\$1200)
- 2014** Appleby-Mosher Faculty Research Award, Maxwell School of Syracuse University, “Food fads, food security, and food sovereignty: Consumption, production and meaning in Andean cuisine” (\$1200)
- 2013** Appleby-Mosher Faculty Research Award, Maxwell School of Syracuse University, “Rural livelihoods and extractive industries on the Bolivian Altiplano” (\$1700)
- 2012** Appleby-Mosher Faculty Research Award, Maxwell School of Syracuse University, “Mining and social justice in Bolivia,” (\$1100)
- 2011** Appleby-Mosher Faculty Research Award, Maxwell School of Syracuse University, “Extractive industries in Andean watersheds,” (\$1200)
- 2010** Syracuse University Department of Geography pre-proposal research grant, “Mine-related water contamination and rural livelihoods in the Bolivian Andes” (\$2500)
- 2010** Graduate Research Assistant support for Barbara Green to assist with

- bibliographic research for project, "Mine-related water contamination and rural livelihoods in the Bolivian Andes" (\$1600)
- 2009** Appleby-Mosher Faculty Research Award, Maxwell School of Syracuse University, "Water, mining and livelihoods in the Bolivian Andes" (\$1200)
- 2007-08** Syracuse University Department of Geography pre-proposal research grant "Natural Gas, National Space: Hydrocarbon Politics and the Re-Territorialization of Bolivia" (\$2500)
- 2006** Appleby-Mosher Faculty Research Award, Maxwell School of Syracuse University, "Language training for community-based field research: rural water governance and state reform in Andean Bolivia" (\$1200)
- 2005** Faculty Summer Research Grant, Program on Latin America and the Caribbean, Moynihan Institute of Global Affairs, Syracuse University "Negotiating Neoliberalism: Resource Governance and Rural Livelihoods in the Bolivian Andes" (\$2500)
- 2004-05** Syracuse University Department of Geography pre-proposal research grant, "State Restructuring, Communal Resources and Rural Livelihoods in the Bolivian Andes" (\$2500)
- 2004** Appleby-Mosher Faculty Research Award, Maxwell School of Syracuse University, "State Restructuring, Communal Resources and Rural Livelihoods in the Bolivian Andes" (\$1000)
- 2003** Appleby-Mosher Faculty Research Award, Maxwell School of Syracuse University, "State Restructuring and Environmental Governance in Bolivia: Neoliberalism, Peasant Politics, and Rural Water Management" (\$1000)
- 2002** Appleby-Mosher Faculty Research Award, Maxwell School of Syracuse University, "Indigenous Politics, Territorial Rights, and Neoliberalism in the Bolivian Andes" (\$1000)
- 2001-02** Syracuse University Department of Geography pre-proposal research grant "Indigenous Politics, Territorial Rights, and Neoliberalism in the Bolivian Andes" (\$2500)
- 1997-98** University Fellowship, University of Colorado at Boulder
- 1996-97** University Fellowship, University of Colorado at Boulder
- 1996** Dean's Small Grant, University of Colorado at Boulder

**UNIVERSITY
TEACHING**

SEMINAR IN AGRARIAN POLITICAL ECOLOGY (GEOGRAPHY 700), Department of Geography and the Environment, Syracuse University. This graduate seminar examines key debates in agrarian political economy and critical agrarian studies.

SEMINAR IN POLITICAL ECOLOGY (GEOGRAPHY 755), Department of Geography and the Environment, Syracuse University. This graduate seminar examines the politicization of nature through in-depth readings in the subfield of political ecology.

THEORIES OF DEVELOPMENT (GEOGRAPHY 705), Department of Geography and the Environment, Syracuse University. This graduate seminar is a critical, historical examination of development theory in the post-war period.

RESEARCH DESIGN (GEOGRAPHY 602), Department of Geography and the Environment, Syracuse University. This graduate seminar focuses on aspects of research design, with a particular focus on proposal writing and research ethics.

FOOD: A CRITICAL GEOGRAPHY (GEOGRAPHY 415), Department of Geography and the Environment, Syracuse University. This advanced undergraduate course examines the political economy of the global agro-food system, with attention to processes of agricultural production, processing and distribution, and consumption.

GEOGRAPHIES OF ENVIRONMENTAL JUSTICE (GEOGRAPHY 353), Department of Geography and the Environment, Syracuse University. This course examines issues of environmental racism and classism, and the political ecology of environmentally-based social movements in the US and Third World.

LATIN AMERICA: DEVELOPMENT AND ENVIRONMENT (GEOGRAPHY 321), Department of Geography and the Environment, Syracuse University. This advanced undergraduate course examines processes of colonization, economic development, resource use, and social mobilization in Latin America.

GEOGRAPHY OF MOUNTAIN ENVIRONMENTS (GEOGRAPHY 317), Department of Geography and the Environment, Syracuse University. This course examines biophysical and socio-economic processes associated with mountain regions and environments.

GLOBAL ENVIRONMENTAL CHANGE (GEOGRAPHY 215), Department of Geography and the Environment, Syracuse University. This introductory-level course focuses on the biophysical and social dimensions of global environmental change.

ENVIRONMENT AND SOCIETY (GEOGRAPHY 103), Department of Geography and the Environment, Syracuse University. This introductory-level environmental geography course focuses on environment and development, resource and energy use, water management, and the politics of agro-food systems.

ENVIRONMENTAL JUSTICE AND URBAN ECOLOGY IN SYRACUSE (HONORS 360), Renée Crown Honors Program, Syracuse University. I developed this course as part of my Laura

J. and L. Douglas Meredith Award for Teaching Excellence. This field-based undergraduate seminar focuses on environmental justice and urban political ecology in the city of Syracuse.

**STUDENT
ADVISEES**
Current
Doctoral
Students

Claudia Díaz-Combs, PhD program, 2018-present (*dissertation topic*: political ecologies of sugar cane production in El Salvador)

Akemi Inamoto, PhD program, 2017-present (*dissertation topic*: gendered political ecologies of rice production in Colombia; research funded by a Society of Woman Geographers-Evelyn Pruitt Fellowship for Doctoral Research)

Katie MacDonald, PhD program, 2018-present (*dissertation topic*: non-traditional crop substitution programs and rural development in Tajikistan; research funded by Fulbright and an American Councils Title VIII grant). MA, Geography, Syracuse University, graduated with distinction, May 2018. (*thesis title*: “When our crops burn, we burn”: Household cultivation, inattention and exclusion in Tajikistan’s water management reform”)

Ainhua Mingolarra, PhD program, 2017-present (*dissertation topic*: political ecologies of trans-boundary water governance in Haiti and the Dominican Republic; research funded by a Society of Woman Geographers-Evelyn Pruitt Fellowship for Doctoral Research)

Mirella Pretell, PhD program 2019-present (*dissertation topic*: “Beyond the Oil Pipeline: Environmental Injustices and Indigenous Women’s Struggles in the Northern Peruvian Amazon.”)

Former
Doctoral
Students

Emily Billo, PhD Geography, graduated December 2012 (*dissertation title*: “Competing sovereignties: Oil extraction, corporate social responsibility, and indigenous peoples in Ecuador”). Dissertation research funded by a National Science Foundation DDRI grant and an Inter-American Foundation fellowship. Now Associate Professor of Environmental Studies, Goucher College.

Beatriz Bustos Gallardo, PhD Geography, graduated May 2010 (*dissertation title*: “Geographies of knowledge production in a neoliberal setting: The case of Los Lagos region, Chile”). Now Associate Professor, Department of Geography, Universidad de Chile, Santiago, Chile.

Alejandro Camargo, PhD program, Geography, graduated 2016 (*dissertation title*: “Disastrous waters, reascent lands: Politics and agrarian transformations in post-disaster Colombia.”). Dissertation research funded by a COLCIENCIAS Francisco José de Caldas research fellowship (Government of Colombia). Now Assistant Professor, Universidad del Norte, Barranquilla, Colombia.

Miguel Contreras, PhD program, graduated 2019 (*dissertation topic*: social movement activism and regionalism in Chile). Funded by a Fulbright fellowship and BecasChile grant from the Chilean funding agency CONICYT.

Elvin Delgado, PhD, Geography, graduated May 2012 (*dissertation title*: “Spaces of socio-ecological distress: Fossil fuels, solar salt, and fishing communities in Lake Maracaibo, Venezuela.”) Dissertation research funded by Fulbright-IIE grant. Now Associate Professor of Geography, Central Washington University.

Matthew Himley, PhD Geography, graduated with distinction, May 2010 (*dissertation title*: “Frontiers of Capital: Mining, Mobilization, and Resource Governance in Andean Peru.” Dissertation research funded by Fulbright-Hays grant); MA Geography, Syracuse University; graduated with distinction, August, 2005 (MA *thesis title*: “The politics of land and forest: nature conservation in highland Ecuador”). Now Associate Professor of Geography, Illinois State University.

Keith Lindner, PhD Geography, graduated with distinction, December 2012 (*dissertation title*: “Returning the Commons: Resource Access and Environmental Governance in San Luis, Colorado”). Dissertation funded by a UC Berkeley Community Forestry and Environmental Research Partnerships Dissertation Fellowship and a National Science Foundation DDRI grant). Former post-doctoral researcher, Vassar College and State University of New York College of Environmental Science and Forestry.

Manuela Ruíz Reyes, PhD Geography, 2020 (*dissertation title*: “¿Campo para las/os Jóvenes? Exploring Campesina/o Youth Subjectivities in Contemporary Colombia”). MA, Geography, Syracuse University; graduated, August 2015 (*thesis title*: “In search of *Ordenamiento Ambiental Territorial* in the Peasant Reserve Zones of Colombia.”)

**Former
Master’s
Students**

Catherine Adams, MA Geography / MPA (Master of Public Administration), graduated May 2003 (*thesis title*: “Defending our place: protest on the Southside of Syracuse.”)

Andria Aguilar, MA program, graduated with distinction, May 2017 (*thesis title*: “Quinoa or quinoa? Political ecologies of organic production in an international commodity chain”)

Andrea Furnaro, MA Geography, graduated June 2018 (*thesis title*: “Political ecologies of mining extraction in Chile”)

Jamie Gagliano, MA Geography, graduated May 2020 (*thesis title*: “Agroecology feminisms: Gender, social movements and alternatives to industrial agriculture in Paraguay”)

Barbara Green, MA Geography, graduated December 2010 (*thesis title*: “Capitalism in a poncho: social movements, hydrocarbons development, and contested national identities in Bolivia”)

Mike Kantor, MA program, Geography, graduated 2012 (*thesis title*: “Banking on the impossible: The political life of wetlands in southern Louisiana”).

Aman Luthra, MA Geography / MPA (Master of Public Administration), graduated

December 2004 (*thesis title: "Revisiting Shangri-la: landscape representation and the politics of development in Bhutan"*)

Flavia Rey de Castro, MA program, Geography graduated 2012 (*thesis title: "Water Politics: Governance, conflict and vulnerability in Andean Peru"*).

Sandra Sánchez, MA Geography, graduated December 2007 (*thesis title: "Community-based (eco) tourism: indigenous livelihood-development strategies in the Ecuadorian Amazon"*)

Mauri Stott, MA Geography / MAPA (Master of Arts in Public Administration), graduated December 2003 (*thesis title: "Hanging in the balance: sustainable development and politics of scale on the lower Chesapeake Bay, tidewater Virginia"*)

Marian Turniawan, MA in Geography, graduated August 2015 (*Thesis title: "Constructing a counter-discourse: Agroecological *formação* at the MST's Milton Santos School."*)

Anna Van de Grift, MA program, graduated December 2017 (*thesis title: "Participation or conformity: Peruvian water governance, law and the failed attempt to establish a river basin council."*)

**Former
Undergraduate
Thesis Advisees**

Rachel Bass, BA, International Relations, graduated May 2016 with University Honors (*Thesis title: "Postcolonial discourses of gender and development in the Middle East and North Africa (MENA) region."*)

Amory Hillengas, BA Geography, graduated May 2010 with University Honors and Departmental Distinction (*thesis title: "Accessibility in the Syracuse Food Desert."*)

Alexis Sheehan Kinney, BA Geography, graduated May 2010 with University Honors and Departmental Distinction (*thesis title: "The Commodification of the Modern Black Man: Examining the Effect of Drug Laws on the New York State Prison Industrial Complex."*)

Haley Kulikowsky, BA, International Relations, graduated May 2016 with University Honors. (*Thesis title: "Ecuador's Yasuni-ITT program: a post neoliberal policy?"*)

Emily Malina, BA International Relations, graduated May 2016 with University Honors. (*Thesis title: "Reclaiming Identities: Indigenous Intercultural Bilingual Education in Peru and Bolivia"*)

Deborah Orieta, BA Geography and Food Studies, Renée Crown Honors Program, Syracuse University, graduated May 2020 (*thesis title: "Cultivando Nacion: Alternative Agri-culture in Post Maria Puerto Rico"*). Research funded by a Peterson-Wilbanks grant, Syracuse University Department of Geography.

Dave Oster, BA Geography, graduated May 2014. Departmental distinction (*Thesis*

title: "Environmental policy and Agriculture in Upstate New York.")

Kristin Novak, BA Geography, graduated May 2008 with University Honors (thesis title: "Overfishing and Environmental Justice in Marine Fisheries," Awarded Best Honors Thesis in the Social Sciences at Syracuse University, 2007-08)

Syed Shehtaaz Zaman, BA Geography with Departmental Distinction, graduated May 2010 (thesis title: "The Bangladeshi Miracle: Post-Colonial Bangladesh and the Central Challenges Facing the Political Economy")

Rose Tardiff, BA Geography, graduated May 2015 with University Honors (Thesis title: "Towards an expansion of the Salt City Harvest farm: Exploring a community farm's impact, challenges, and the agricultural ways and aspirations of its New American farmers." Awarded Best Honors Thesis in the Social Sciences at Syracuse University, 2014-15)

Other mentoring

Diego Andreucci, Ph.D. student, Political Ecology, Universidad Autónoma de Barcelona, Spain (visiting student, Spring, 2015)

Dr. April Baptiste, Associate Professor, Environmental Studies Program, Colgate University

Matías Calderón, Ph.D. student, Anthropology, Instituto de Arqueología y Antropología, Universidad Católica del Norte, Chile (2016-17)

Xochizeltzin Castañeda Camacho, Assistant Professor, Department of Geography, Universidad Autónoma de San Luis Potosí, Mexico (ongoing)

Dr. Laura Eichelberger, Assistant Professor Department of Anthropology, University of Texas, San Antonio (2012-14)

Andrea Furnaro, MSc. student, Sociology, Universidad de Chile, Santiago (visiting student, Spring 2015)

Dr. Jaime Hoogesteger, Chair Group in Water Resources Management, Wageningen University (The Netherlands) (2010-14)

Marysabel Pacheco Arreaño, doctoral student, Department of Economics, Universidad Metropolitana, Mexico City (visiting student, October 2019)

Dr. Milagros Sosa Landeo, Chair Group in Water Resources Management, Wageningen University (The Netherlands) (visiting student, spring 2012)

HONORS and

2022 Carl O. Sauer Distinguished Scholarship Award, Conference of Latin American Geography

AWARDS

- 2018-21** Laura J. and L. Douglas Meredith Professor of Teaching Excellence, Syracuse University
- 2017** United Methodist Scholar and Teacher of the Year, Syracuse University
- 2009** Undergraduate Advisor of the Year, Syracuse University College of Arts & Sciences
- 2005** Meredith Teaching Recognition Award, Syracuse University
- 1999** Best Student Paper Award, Cultural Ecology Specialty Group, Association of American Geographers Conference, Honolulu, Hawaii
- 1999** Best Student Paper Award, Latin America Specialty Group, Association of American Geographers Conference, Honolulu, Hawaii
- 1997** Best Student Paper Award, Latin America Specialty Group, Association of American Geographers Conference, Fort Worth, Texas
- 1994** Outstanding Graduate Student of the Year, Department of Geography, University of Texas at Austin
- 1994** Phi Kappa Phi Academic Honor Society
- 1986** Phi Beta Kappa Academic Honor Society

INVITED LECTURES *Keynote & Plenary Addresses*

- 2019** “Changing waterscapes, changing livelihoods: Water governance and rural transformation in Latin America.” Keynote address presented at the workshop, “Studying water as a transdisciplinary challenge: From environmental governance to knowledge and territorial politics,” Unesco-Delft Institute for Water Education (IHE), Delft, the Netherlands, 29 May.
- 2019** “¿Cambio climático o algo más? Vivir y morir con un lago seco en el altiplano boliviano,” Plenary address presented to the conference, “Ecología política, conflictos y territorios hidrosociales en Argentina y América Latina,” CONICET/Universidad Nacional de Cuyo, Mendoza, Argentina, 16 April.
- 2018** “Changing waterscapes, changing livelihoods: Water governance and rural transformation in Latin America,” Plenary address presented to the conference “Rural transformations in Latin America’s Changing Climate,” University of New Mexico, 14 November.

- 2017** “Extractivismo versus Pachamamismo: Entre la economía política y la política cultural en los Andes,” Plenary address presented as part of the Cátedra Elisée Reclus, Colegio de Michoacán, La Piedad (26 September) and Centro de Investigación y Estudios Superiores en Antropología Social (CIESAS), Mexico City (2 October).
- 2017** “La memoria y lo material: Imaginarios de extracción, nación y naturaleza en Bolivia,” Plenary address presented at the Latin American Summer Institute (LASI), San Pedro de Atacama, Chile, 7 January.
- 2015** “La memoria del agua: Una ecología política de lo que era y lo que será,” Plenary address presented to the VII Encuentro de Investigadores de Justicia Hídrica, Cali, Colombia, 22 November.
- 2014** “Corrientes, colonialismos y contradicciones: Repensando los raíces y trayectorias de la ecología política,” Plenary address presented to the Congreso Latinoamericano de Ecología Política, Santiago de Chile, 23 October.
- 2013** “¿Qué tipo de gobernanza para qué tipo de equidad? Hacia una teorización de justicia en la gobernanza hídrica,” Keynote address at the annual meeting of the Justicia Hídrica research network, Universidad Andina Simón Bolívar, Quito, Ecuador, 11 October.
- 2013** “What kind of governance for what kind of equity?” Keynote address at the NSF-funded workshop, “Multi-scalar and cross-disciplinary approaches toward equitable water governance.” Center for Global, International and Regional Studies, University of California, Santa Cruz, 23 February.
- 2011** “Agua, minería y vidas rurales en el Altiplano boliviano: visiones contradictorias del desarrollo y la justicia,” Plenary address to the conference “Encuentro Internacional de Agua y Economía,” organized by the Banco de la República, Bogotá, Colombia, 7 October.
- 2022** “On the ragged edge of empire: Climate change, water security, and cultural survival at Lake Poopó, Bolivia,” invited lecture presented to the symposium “Climate Justice and Sustainability in Latin America and the Caribbean.” Sponsored by the Centre for Research on Latin America and the Caribbean (CERLAC) Student Caucus, York University (Canada), 28 March.
- 2021** “Race, space and place: Geographies of Environmental justice in Syracuse,” invited lecture presented to the symposium “Environmental Justice in Syracuse,” Sponsored by Syracuse University Student Association, 6 April.

**Colloquia &
Lectures**

- 2020** “Environmental justice in Syracuse, CNY and beyond,” invited lecture presented to the CNY Youth Summit, Syracuse, New York, 31 October.
- 2020** “El concepto de justicia hídrica y las luchas socio-ambientales en Bolivia,” invited lecture as part of conference “Agua y Medio Ambiente 2020,” Centro de Ecología y Pueblos Andinos, Oruro, Bolivia (presented virtually), 24 October.
- 2020** “The politics of lithium in Bolivia,” invited talk in panel discussion on “Latin America’s Green New Deal,” University of Pennsylvania Latin American and Latinx Studies Program (presented virtually), 8 October.
- 2020** “Resource Nationalism,” invited lecture presented in the Department of Geography, University of Florida (presented virtually), 8 October.
- 2019** “Meaning, mining and memory: A political ecology of extractivism in Bolivia,” invited lecture presented to the Political Economy Reading Group, Columbia University, New York, 7 November.
- 2019** “Living with a dying lake: Climate change politics and the problem of overdetermination, Lake Poopó, Bolivia,” invited lecture presented for the Center for Latin American Studies, University of Florida, Gainesville, Florida, 23 October.
- 2019** “Space, place and race: Understanding the geographies of environmental (in)justice,” invited lecture presented to the symposium “Legal issues related to I-81: Economic inclusion and environmental justice.” Onondaga County Bar Association, Syracuse, New York, 17 October.
- 2019** “Climate change or something more? Living with a dying lake on the Bolivian Altiplano,” invited lecture presented to the Department of Geography, University of Colorado, Boulder, 1 March.
- 2018** “When the commons collapses: Climate change and livelihood transformation on the Bolivian Altiplano,” invited lecture presented to the Duke University Marine Conservation Lab, Beaufort, NC, 7 November.
- 2018** “Entre la minería y la memoria: Imaginarios de extracción, naturaleza y nación en Bolivia,” invited lecture presented to the Posgrado en Ciencias del Desarrollo (CIDES), Universidad Mayor de San Andrés, La Paz, Bolivia, 10 August.
- 2018** “Geopolítica de recursos naturales: Hacia una perspectiva crítica de la extracción y el extractivismo,” invited lecture presented to the Escuela de Líderes, Centro de Ecología y Pueblos Andinos (CEPA), Oruro, Bolivia, 8 August.

- 2018** “Mining and environmental justice in Bolivia: The challenges and promise of working with communities,” invited lecture presented to the Engineers Without Borders regional conference, State University of New York College of Environmental Science and Forestry chapter, 3 March.
- 2018** “Entre la minería y la memoria: Imaginarios de extracción, naturaleza y nación en Bolivia,” invited lecture presented to the Faculty of Social Sciences and Humanities, Universidad Autónoma de San Luís Potosí, Mexico, 9 February.
- 2018** “Herramientas metodológicas aplicadas al análisis de conflictos ambientales,” invited presentation and discussion, Environmental Agenda and Graduate Studies in Environmental Sciences, Universidad Autónoma de San Luís Potosí, Mexico, 9 February.
- 2017** “Mining, meaning and memory in Bolivia,” invited lecture presented to the Anthropology Department, Towson University, 8 November.
- 2017** “Extractivismo vs. Pachamamismo: Between cultural politics and political economy in Bolivia,” invited lecture presented to the Environmental Studies program, Goucher College, 7 November.
- 2017** “Critically examining water justice: comparing experiences in Bolivia and the USA,” invited lecture and master class, Water Resources Chair Group, Wageningen University, The Netherlands, 26 October.
- 2017** “Mining and memory: Imaginaries of extraction, nature and nation in Bolivia,” invited lecture presented to the School of International Development, University of East Anglia, Norwich, United Kingdom, 8 June.
- 2017** “Memory and materiality: Imaginaries of extraction, nature and nation in Bolivia,” invited lecture presented to the Water Resources Management Chair Group, Wageningen University (Seminar on Political Ecology of Water Governance), Wageningen University, The Netherlands, 13 March.
- 2016** “Consent, coercion and *cooperativismo*: Mining cooperatives and resource regimes in Bolivia,” invited lecture presented to the Latin American Studies Program, Cornell University, 17 October.
- 2016** “The meaning of mining, the memory of water: Collective memory as environmental justice,” invited lecture presented to the Department of Geography, University of North Carolina, Chapel Hill, 16 September.
- 2016** “El nexo minería-agua: La problemática de justicia hídrica en el Altiplano boliviano,” invited lecture, Carrera de Historia, Universidad Pública de El Alto, El Alto, Bolivia, 7 June.

- 2016** “Minería, agua, y justicia hídrica en el Altiplano boliviano,” invited lecture presented to the Escuela de Líderes Ambientales, Centro de Ecología y Pueblos Andinos (CEPA), Oruro, Bolivia, 28 May.
- 2015** “Tendencias in tension: Resource governance and social contradictions in contemporary Bolivia,” invited lecture presented to the Department of International Environmental and Development Studies, Norwegian University of Life Sciences, Ås, Norway, 8 October.
- 2015** “Minería, agua y justicia social en la sub-cuenca Huanuni,” invited presentation, Annual Congress of the Coordinadora Nacional de los Afectados por la Minería y Protección del Medio Ambiente (CONAMPROMA), Oruro, Bolivia, 12 March.
- 2015** “Of communities and contradictions: Mining and the ambiguous politics of environmental justice in Bolivia,” invited lecture presented to the Environmental Program, University of Vermont, 19 February.
- 2014** “Debating resource extraction in Latin America,” invited participation in roundtable debate and discussion, College of International Studies, University of Oklahoma, 21 November.
- 2014** “Of communities and contradictions: Mining and the ambiguous politics of environmental justice in Bolivia,” invited lecture presented to the Department of Geography and Geology, Illinois State University, 10 October.
- 2014** “Consulta previa in Bolivia’s extractive industries: the law and its limitations,” Invited lecture presented to the Department of City and Regional Planning, Cornell University, 25 April.
- 2014** “Performing participation: Mining, power, and the limits to public consultation in Bolivia,” Invited lecture presented to the Human Rights Program of the Global Legal Studies Center, University of Wisconsin, Madison, 21 February.
- 2012** “Dispossession by accumulation? Mining, water and rural livelihoods on the Bolivian Altiplano,” Invited lecture presented to the Department of Geography and Urban Planning, Miami University, Ohio, 21 September.
- 2012** “Historias sedimentadas: minería, agua y justicia en el altiplano boliviano,” Invited lecture presented to the Department of Geography, Universidad Nacional, Bogotá, Colombia, 20 June.
- 2012** “Dispossession by accumulation? Mining, water and livelihood justice on the Bolivian Altiplano,” Invited lecture presented in the research symposium “Transforming Landscapes in Andean Societies, co-

sponsored by the School of Natural Resources and Environment and the Center for Latin American and Caribbean Studies (Círculo Micaela Bastidas Phuyuhawa), University of Michigan, 31 March.

- 2012** “Sedimented histories and a history of sediment: mining, water and livelihood on the Bolivian Altiplano,” Invited lecture presented to the Program for the Advancement of Research on Conflict and Collaboration, Syracuse University, 22 March.
- 2011** “Mining, water and rural livelihoods on the Bolivian Altiplano,” Invited lecture presented to the Department of Applied Anthropology, Columbia University, 12 December.
- 2011** “Waterscapes of injustice: mining, water and livelihood on the Bolivian Altiplano,” Invited lecture presented to the Latin American Studies Program, Cornell University, 21 November.
- 2011** “La historia social del agua: geografías de injusticia social en la Cuenca de Onondaga, Syracuse, Nueva York (EEUU),” Invited lecture presented to the workshop “Justicia Hídrica,” Centro Bartolomé de las Casas, Cusco, Peru, 4 November.
- 2011** “Justicia ambiental, ecología política y la maldición de recursos,” Series of three invited lectures, Centro de Ecología y Pueblos Andinos (CEPA), Oruro, Bolivia, 14 May.
- 2010** “Extractive industries and the scales of justice in Bolivia,” Invited lecture as part of the Dickey Center for International Studies seminar series, “‘Denaturalizing’ the social: contemporary critical geographies in the 21st century,” Dartmouth College, 21 October.
- 2010** “Water governance and *usos y costumbres* in Bolivia’s irrigators’ movement,” Invited presentation at the workshop “Making Water Work,” University of Wageningen, The Netherlands, 3 September.
- 2010** “Conceptualizando la (in)justicia ambiental,” Invited lecture for the Centro de Ecología y Pueblos Andinos (CEPA), Oruro, Bolivia, 23 June.
- 2010** “Paisajes de agua y minería: pensamientos preliminares,” Invited presentation at the workshop “Taller de Investigación en Proceso,” Centro de Estudios Superiores Universitarios (CESU), Universidad Mayor de San Simón, Cochabamba, Bolivia, 4 June.
- 2009** “Las contradicciones estructurales y sus implicancias para la justicia hídrica: pensamientos incompletos,” Invited lecture at the workshop “Justicia Hídrica,” Centro Bartolomé de las Casas, Cusco, Peru, 23 November.
- 2009** “Nature and nation: Hydrocarbons governance and the territorial logics

of 'resource nationalism' in Bolivia," Invited lecture presented to the Department of Environmental Studies, Bates College, 19 October.

- 2009** "Nature and nation: Hydrocarbons governance and the territorial logics of 'resource nationalism' in Bolivia," Invited lecture presented to the Graduate School of Geography, Clark University, 11 April.
- 2009** "Nature and nation: Hydrocarbons governance and the territorial logics of 'resource nationalism' in Bolivia," Invited lecture presented to the Department of Environmental Studies, University of California, Santa Cruz, 10 March.
- 2008** "Governance, scale, community and class: Comments on the proposal, Struggling for water security: social mobilization for the defense of water rights in Peru and Ecuador." Presented at the workshop, "How to study supra-local grassroots organizations and federations struggling for water security: exploring concepts and research methodologies. Irrigation and Water Engineering Group, Wageningen University, The Netherlands, 14-16 April.
- 2008** "Identidad indígena y la ecología política del gas natural en Bolivia," Invited presentation at the symposium "Identidad, Poder y Derechos Indígenas." Organized by the Centro Bartolomé de las Casas, Cusco, Perú, 12 March.
- 2008** "Etnicidad, poder y recursos naturales: la ecología política del gas natural en Bolivia," Invited presentation at the symposium "Identidad, Poder y Derechos Indígenas." Organized by the Instituto de Democracia y Derechos Humanos, Pontificia Universidad Católica del Perú, Lima, Perú, 10 March.
- 2007** "Customs, commons, and class contradictions: irrigator mobilization and the cultural politics of water governance in Bolivia," Invited lecture presented to the Department of Geography, Texas A&M University, 12 October.
- 2007** "Irrigator mobilization and the cultural politics of rural water governance in Bolivia," invited presentation at the workshop "Neoliberalism and Environmental Governance" organized by the Department of Geography, Open University, United Kingdom, 13-14 September.
- 2007** "Etnicidad, poder y recursos naturales: observaciones hacia una ecología política del gas natural en Bolivia," Invited presentation at the symposium "Identidad, Poder y Derechos Indígenas" organized by the Centro de Estudios Superiores Universitarios, Universidad Mayor de San Simón, Cochabamba, Bolivia, 17 August.
- 2007** "Natural gas, indigenous mobilization, and the Bolivian state"

Invited presentation at the workshop, "Identity, Power and Rights: The State, International Institutions and Indigenous Peoples," organized by the United Nations Research Institute for Social Development (UNRISD), Geneva, Switzerland, 2-3 April.

- 2007** "Irrigator mobilization and the politics of water governance in post-multicultural Bolivia," Invited lecture and round-table discussion, Département de Géographie, Université de Montréal, Montréal, Québec, Canada, 1-2 March.
- 2007** "Water governance and indigenous/*campesino* mobilization in post-multicultural Bolivia," Invited lecture presented to the Latin American Studies Program, Cornell University, 27 February.
- 2006** "Peasant mobilization and the cultural politics of water governance in Bolivia," Invited lecture presented to the Department of Geography and Regional Planning, University of Arizona, 6 October.
- 2006** "Rural water governance and the antinomies of liberalism in Bolivia," Invited lecture presented to the Environmental Studies Program, Colgate University, 21 April.
- 2006** "Peasant mobilization and the cultural politics of water governance in Bolivia," Invited lecture presented to the Department of Geography, University of North Carolina, Chapel Hill and the Global Grassroots Working Group, Latin American Studies Program, University of North Carolina, Chapel Hill and Duke University, 13 April.
- 2006** "Peasant mobilization and the cultural politics of water governance in Bolivia," Colloquium presented to the Department of Geography, Syracuse University, 7 April.
- 2006** "From the *Guerra del Agua* to the *Guerra del Gas*: Resource governance, popular protest, and social justice in Bolivia," Colloquium presented for the Program on Latin America and the Caribbean (PLACA), Moynihan Institute of Global Affairs, Maxwell School of Syracuse University, 28 March.
- 2005** "Resource governance and popular protest in Bolivia: the cases of water and gas," presented at the conference "Natural Resources and Contemporary Conflicts," organized by the Observatoire International de Geopolitique at the Université de Québec à Montréal, Montréal, Québec, Canada, 29-30 September.
- 2005** "Agua, gas, y gobernanza ambiental: Algunas observaciones acerca de la geografía desigual de protesta en Bolivia," lecture presented to the Centro de Estudios Superiores Universitarios, Universidad Mayor de San Simón, Cochabamba, Bolivia, 20 July.
- 2005** "From the *Guerra del Agua* to the *Guerra del Gas*: Resource governance,

popular protest, and social justice in Bolivia,” colloquium presented to the Environmental Studies program, Colgate University, 22 April.

- 2005** “Re-scaling environmental governance in Bolivia,” talk presented at the conference “Beyond Neoliberalism? Experiences, Responses, and New Directions in Latin America and the Caribbean” sponsored by the Program on Latin America and the Caribbean, Moynihan Institute of Global Affairs, Syracuse University, 15 April.

- 2003** “State restructuring and environmental governance in Bolivia,” colloquium presented to the Global Affairs Institute’s Studies in Development and Social Transformation program, The Maxwell School, Syracuse University, 14 February.
- 2002** “Toward a cultural politics of development in Ecuadorian Amazonia,” Goekjian Lecture presented to the Global Affairs Institute, The Maxwell School, Syracuse University, 24 April.
- 2002** “Indigenous organizing and land rights in the Ecuadorian Amazon,” colloquium presented to the Department of Geography, Pennsylvania State University, 19 April.
- 2000** “Making space, jumping scales: agrarian change, indigenous organizations and the politics of scale in the Ecuadorian Amazon,” colloquium presented to the Programs and Research on Latin America, The Maxwell School, Syracuse University, 1 November.
- 1999** “Negotiating nature: indigenous organizations, resource access, and identity construction in Ecuadorian Amazonia”, colloquium presented to the Syracuse University Department of Geography, 2 December.

**SESSIONS
ORGANIZED AT
CONFERENCES**
(last ten years)

- 2017** “Memory in political ecology and environmental justice 1: Experimenting with uncertainty, ruins and artifacts.” Paper session organized at the American Association of Geographers annual conference, Boston, 6 April.
- 2017** “Memory in political ecology and environmental justice 2: Stories of energy futures and environmental degradation.” Paper session organized at the American Association of Geographers annual conference, Boston, 6 April.
- 2015** “Critical reflections on the past, present and future of political ecology (or, 55 authors in 48 chapters): The Routledge Handbook of Political

Ecology.” Discussion panel organized at the Association of American Geographers conference, Chicago, 23 April.

2014 Co-organizer and chair, “Political economies of natural resource extraction: Remembering and celebrating Ben Kohl,” paper session and discussion panel at the Association of American Geographers conference, Tampa, Florida, 9 April.

2012 Co-organizer and chair, “New political ecologies of extraction (I, II, III, and IV),” set of paper sessions at the Association of American Geographers conference, New York City, February.

**CONFERENCE
PRESENTATIONS
(last ten
years)**

2022 Discussant, “Subnational environmental governance institutions in Latin America,” Workshop, Tulane University Latin American Studies Program (last ten years) (virtual), 16 May.

2022 Invited panelist, “Present and future of neo-extractivism: the political economy of resource extraction in Latin America,” Latin American Studies Association International Congress (virtual), 6 May.

2021 Invited panelist, “Emerging perspectives: Theorizing extractivism and socio-territorial conflicts in post-pandemic Americas,” University of California, Santa Cruz Research Group on Extractivism and Society, 28 October.

2021 “River-as-Territory,” invited presentation in the Riverhood/River Commons international meeting (based in Wageningen University, The Netherlands, 23 September.

2021 Invited panelist, “Restore Our Earth,” Earth Day Webinar, Oxfam at Syracuse University, 22 April.

2021 Invited panelist, “Graduate students, mental health and the COVID-19 pandemic,” Bill Anderson Fund Spring Webinar, 9 April.

2021 Invited panelist, “The impact of COVID-19 on graduate students and graduate programs,” invited webinar organized by the American Association of Geographers, 24 February.

2021 Discussant, “Estrategias comunitarias frente a conflictos socioambientales: Más allá de la resistencia,” symposium on a special issue of the journal Íconos 69, organized by FLACSO Ecuador (virtual), 18 February 2021.

2019 Discussant, “Water, power and knowledge conflicts.” Seminar and research workshop on water, power and contested knowledges, Water Resources Management Chair Group, Wageningen University, Wageningen, The Netherlands, 28 May.

- 2019** Discussant, “Dialogues of environmental justice in South America: Global dynamics, extractivism, and local change.” Latin American Studies Association International Congress, Boston, 24 May.
- 2019** Author meets critics: “Limits to decolonization: Indigeneity, territory, and hydrocarbon politics in the Bolivian Chaco” (Cornell University Press, 2018), panel at the American Association of Geographers conference, Washington, DC, 5 April.
- 2019** “Critical resource geographies I: Intersecting lineages in dialogue,” discussion panel at the American Association of Geographers conference, Washington, DC, 6 April.
- 2018** “Capital, climate and contradictions in Bolivia” (with Niki Fabricant, Towson University), presentation at the Latin American Studies Association International Congress, Barcelona, Spain, 25 May.
- 2017** “Meaning, mining and memory in the Andes.” Paper presented at the American Association of Geographers annual conference, Boston, 6 April.
- 2017** “Commentary: The plantation and the mine.” Commentary on Tanya Li’s Annual Geoforum Lecture, American Association of Geographers annual conference, Boston, 6 April.
- 2017** Invited discussant, “Territorial articulations and shifting legal geographies: Indigenous and native rights in the Americas.” Paper session at the American Association of Geographers annual conference, Boston, 8 April.
- 2017** Invited panelist, “Neo-extractivism, resource nationalism, and ‘new’ geographies of resource governance and development.” Panel discussion at the American Association of Geographers annual conference, Boston, 8 April.
- 2016** “Minería, memoria y justicia ambiental: Narrativos de la vida y el muerte en el Altiplano boliviano,” Presented at the II Congreso Latinoamericano de Ecología Política, San Pedro de Atacama, Chile, 11 November.
- 2016** “The meaning of mining, the memory of water: Collective memory as environmental justice,” paper presented at the conference, ‘Political Ecologies of Conflict, Capitalism, and Contestation,’ University of Wageningen, Wageningen, The Netherlands, July 7-9.
- 2015** “Performing participation: Mining, power and the limits of public

consultation in Bolivia,” paper presented at the Latin American Studies Association International Congress, San Juan, Puerto Rico, 28 May.

- 2015** “Governing from the ground up: Translocal networks and the ambiguous politics of environmental justice in Bolivia,” paper presented at the Association of American Geographers conference, Chicago 21 April.
- 2015** Invited discussant, “Micropolitics of environmental governance, institutional arrangements and grassroots development,” paper session at the Association of American Geographers conference, Chicago, 21 April.
- 2015** Invited discussant, “Fast/slow states: Time-space, technology and water governance II,” paper session at the Association of American Geographers conference, Chicago, 24 April.
- 2015** Invited discussant, “When logics collide: The political and economic geographies of extraction II,” paper session at the Association of American Geographers conference, Chicago, 25 April.
- 2014** “Las paradojas del localismo: Minería, agua y justicia ambiental en el altiplano boliviano,” paper presented at the Congreso Latinoamericano de Ecología Política, Santiago, Chile, 23 October.
- 2014** “Governing from the ground up? Translocal networks and the politics of environmental suffering in Bolivia,” paper presented at the Association of American Geographers conference, Tampa, Florida, 10 April.
- 2014** Invited discussant, “Rescaled environmental governance: Beyond centralization and decentralization,” Association of American Geographers conference, Tampa Florida, 10 April.
- 2013** “Re-working the spaces of indigeneity: The Bolivian ayllu and lowland autonomy movements compared” (with co-author Barbara Green). Paper presented at the Internaitonal Congress of the Latin American Studies Association, Washington, DC, 30 May.
- 2012** “Dispossession by (bio)accumulation: Tales of postneoliberal extraction and Bolivian biopolitics,” Paper presented at the Critical Geography Conference, University of North Carolina, Chapel Hill, 3 November.
- 2012** “Dispossession by accumulation? Mining, water and livelihood justice on the Bolivian Altiplano,” Paper presented at the Latin American Studies Association International Congress, San Francisco, 24 May.
- 2012** “Mining, water and justice in Bolivia,” Paper presented at the annual Association of American Geographers conference, New York City, 27 February.

- 2011** "Agua, minería y (in)justicia social en el altiplano boliviano," Paper presented at the workshop "Justicia Hídrica," Centro San Bartolomé de las Casas, Cusco Peru, 3 November.
- 2010** "Public participation as social exclusion: Exploring the antinomies of mining and justice in Bolivia," Paper presented at the American Anthropological Association annual conference, New Orleans, Louisiana, 21 November (invited session).
- 2010** "Antinomies of mining and justice in the Bolivian Andes," Paper presented at Latin American Studies Association International Congress, Toronto, Canada, 8 October.
- 2010** "Water, mining and the antinomies of environmental justice in the Bolivian Andes," Paper presented at the workshop "Global Environmental Justice: Toward a New Agenda," University of East Anglia, Norwich, United Kingdom, 3 July.
- 2010** "Something old, something new: mining, water and social movements in Oruro, Bolivia," Paper presented at the Association of American Geographers conference, Washington, DC, 18 April
- 2010** Panelist, "Extractive frontiers: New directions in extractive-sector research," Discussion panel at the Association of American Geographers conference, Washington DC, 18 April
- 2010** Discussant, "The effects of leftward politics on landscapes and societies in Latin America," Paper session at the Association of American Geographers conference, Washington DC, 16 April
- 2009** "Nature and nation: hydrocarbons governance and the territorial logics of 'resource nationalism' in Bolivia," Paper presented at the Latin American Studies Association International Congress, Rio de Janeiro, Brazil, 13 June.
