SELECTED PROFESSIONAL EXPERIENCE:

**Professor of Practice, Public Administration
Director, Program in Health Services Management
and Policy
Senior Research Associate, Center for Policy
Research
Director, Lerner Center for Public Health Promotion**
Maxwell School of Citizenship and Public Affairs
Syracuse University, Syracuse, New York 13244
(September 2000 – Present)

Responsibilities include teaching the core courses for the graduate concentration in health services management and policy at Maxwell as well as advising students enrolled in the interdisciplinary graduate certificate in health services management and policy. In addition, responsibilities include administration Program in Health Services Management and Policy.

Starting in 2011, as Director of the Lerner Center for Public Health Promotion, overall management of a fully endowed public health center focused on improving the health status of the greater Syracuse community.

Director
PricewaterhouseCoopers LLP
One Lincoln Center
Syracuse, New York 13202
(October 1988 – September 2000)

Responsibilities included management of a range of consulting projects, principally involving home health care, community-based services and long term care.

Principal
Dennison Associates, Ltd.
Fayetteville, New York
(September, 1984 - September, 1988)

The primary focus of this consulting firm was service to government agencies on issues related to financing and delivery of health services, emphasizing home and community based care.

Teaching Assistant
Pennsylvania State University
Department of Health Planning and Administration
University Park, Pennsylvania
(September, 1982 - May, 1984)

As a teaching assistant in the undergraduate health care administration program, I had independent responsibility for a survey course in health administration.

Administrator
E.J. Noble Hospital
Alexandria Bay, New York
(November, 1979 - January, 1982)

As chief executive officer, I was responsible for all aspects of operation, development and planning of the 50-bed hospital and skilled nursing facility.

SELECTED PROFESSIONAL EXPERIENCE:

Executive Director

North Jefferson Health Systems, Inc.
Clayton, New York
(September, 1977 - October, 1979)

This not-for-profit corporation was established to assume responsibility and stabilize two ambulatory care centers in the service area of E.J. Noble Hospital of Alexandria Bay. With support of federal and private grant funding, the program was stabilized, two more centers were opened and new physical facilities were constructed.
