Section Name: Global Life Satisfaction and Psychological Well-Being Domains Questions
Section Number: Q
Question Number: 4
Column: 16
Type of Variable: Num
Variable Name: Q4
Question Prologue: Now imagine this same ladder, but think of this ladder as representing where people stand in the United States. At the top of the ladder are the people who are the best off – those who have the most money, the most education, and the most respected jobs. At the bottom are the people are the worst off – those who have the least money, least education, the least respected jobs, or no job. The higher up you are on this ladder, the closer you are to people at the very top; the lower you are, the closer you are to people at the very bottom.
Question: Please identify where you think you stand at the time in your life relative to other people in the United States.
