

## class of 2011 highlights

Our **500+** organizational contacts posted **~50** new positions to the Maxwell Career Management System every month.

Every month, **4-5 speakers** came to Maxwell to recruit, to give information sessions, and to hold career discussions with our students.

The **top employers** for this year's class were: consulting firms like Deloitte Consulting and Accenture; state & local governments like the District of Columbia; and nonprofits such as the Brookings Institution.

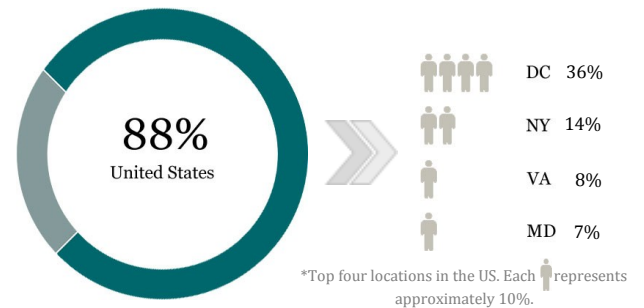

The percentage of graduates employed by the federal government **doubled** from 2010 to 2011.
