

MCI Survey Results

To what extent do you consider your research and teaching related to citizenship issues, broadly defined?

Who responded to the survey?

Department	Number of Responses
Anthropology	8
Economics	2
Geography	3
History	2
PAIA	7
Political Science	19
Sociology	7
Other	3
Total	51

Which broad themes related to the study and understanding of citizenship in the 21st century are most relevant to your research?

Please indicate the extent to which you feel each initiative will help support or develop your research interests.
