

Applied Micro Seminar Directions

You can pay to park in Irving Garage.

From East or West on I-90 or from the North:

Take I-81 South to Exit 18, Adams and Harrison St. Stay in left lane underneath highway, and turn left onto Adams St. Turn right at Irving Avenue (2nd light). The VA Hospital is on the right at 800 Irving Ave. (There are actually two hospitals, the VA is the 2nd)

Pass the VA hospital and go straight for a few blocks until you come to a three way stop sign (you will have already passed the garage on the right, but you have to go around it to get to the entrance). Take a right at the stop sign on to Raynor Ave, and then take your first right onto Stadium Place (1 block). Enter the first garage on the right (Irving). (If you pass it, the road is one-way so you will have to go around the block again to get back to the entrance, a series of rights.)

After parking take the garage elevator to the 5th floor and walk the bridge across Irving street. After crossing the bridge, you will see stairs to your left. Go up these stairs and you will emerge on the main campus and you will be in the Falk College Courtyard. If you follow the sidewalk straight from the top of the steps, the first building on the left is a small observatory. The second building on the left (set back and looking like a church) is Crouse College. The third (brick) building on the left is the Maxwell School (Eggers hall). Enter Eggers; turn right immediately down the corridor. The Econ dept is the first office on the left.

From the South:

Take I-81 North to the SU exit (exit 18). Make an immediate right onto Adams St. Turn right at Irving Avenue (2nd light). The VA Hospital is on the right at 800 Irving Ave. (There are actually two hospitals, the VA is the 2nd)
