INSTRUCTIONS FOR FORM SUIA

Funding documents: International applicants must show evidence of having secured sufficient funding for at least the first year of graduate study. **For a privately-sponsored applicant**, acceptable evidence of such funding consists of a certified current bank statement on official bank letterhead, signed by an authorized bank official, indicating that sufficient funds exist to meet at least first-year expenses as per Syracuse University's current estimate. **A government sponsored applicant** must submit an original award letter (or a certified copy of an award letter). The letter must state the annual amount of the award in U.S. dollars. All financial documents must be written in English and valid within one year of the start of the semester. When sending documentation of adequate funding, photocopies of financial documents are acceptable, and you may fax them to 315-443-3423. Please include a copy of your passport with the financial documents you send us. Be sure to write your name, date of birth, name of the program you are applying to, and your application number (if known) on all documents you send. **ISDP students will be charged tuition prior to access to their distance course. For ISDP students planning their residency and entering the U.S. on the F-1 visa, a financial statement will be required in advance of issuance of the Form I-20 (this form is used to request a visa at a U.S. Consulate).**

First-year expenses: First-year expenses are based on registration for 24 credits, mandatory fees, and annual living expenses. Please visit the Graduate School web site, <http://www.syr.edu/gradschool/em/pdfs/costs.pdf> for specific estimates of your cost of attendance. Although these projected minimum figures are accurate at the time of publication, please note that a precise and updated figure more specific to your circumstances will be reflected in the I-20 form that will be mailed to you upon verification of adequate financial resources. Admitted international students receiving full support (i.e., full tuition and full stipend) from Syracuse University meet this qualification.

For ISDP Students First Year Expenses do not apply.
