Please read the health form requirements. This form including proof of immunizations should be returned to Syracuse University with your summer registration by June 15th, so that they can be filed with Health Services. If for any reason you cannot complete and return this form by June 15th, please bring it with you and file it with Health Services immediately upon your arrival. Without proof of immunizations, your registration cannot be entered on the University’s system. The health form is included in this packet.

Health Form:
Part 1 – should be completed by the student.
Part 2 – medical examination – should be completed by your health care practitioner.
Part 3 – immunization record – should be completed by your health care practitioner.

Immunization requirements: Syracuse University policy in accordance with New York State public health law requires all students to provide:
- Proof of immunity to measles, mumps, and rubella:
  - Dates of two doses of measles vaccine after one year of age, OR positive titer results, OR physician documentation of disease, and:
    - Date of one dose of rubella vaccine, or positive titer result and;
    - Date of one dose of mumps vaccine, or positive titer result, or physician documentation of disease.
- Note: persons born before January 1, 1957 are exempt from the measles, mumps, and rubella requirement.
- Proof of immunity to meningitis or a completed response related to meningococcal meningitis vaccine indicating that the student has either been immunized within the preceding ten years or has opted not to obtain immunization against meningococcal disease.

Send all completed forms to: Syracuse University Health Services
111 Waverly Avenue
Syracuse, NY 13244-2320

HEALTH INSURANCE:
Expenses incurred from hospitalization, emergency room treatment and certain other costs are not covered by the health fee, therefore we recommend that all students have health insurance. Health insurance is MANDATORY for international students. Students on F-1 and J-1 visas should purchase health insurance through Health Services upon arrival. Enclosed are the current brochures outlining the Insurance plans offered by the University. Insurance for the month of July can be purchased for $194.00 (single person coverage for domestic). For international students please see the enclosed brochure. Family coverage is also available—see brochure. You will need to complete the application and remit with payment by June 25th to HTH (international) or Aetna (domestic). Students who purchase HTH or Aetna for the month of July will need to renew health insurance in August. Information for August 2009 to July 2010 will be available at Health Services after your arrival. The annual insurance premium (August – July) is estimated at $2400.00 for single coverage for domestic and $1,000.00 for international. Please contact Linda Deon ldeon@syr.edu Health Services, at (315) 443-2668 or e-mail Teri Connor, Health Services, at tvconnor@syr.edu for further assistance.
